Chardonnay or White Wine (call for current vintage)

Loaded with melon and peach flavors, the rounded fruit characteristics typical of the vintage are integrated beautifully into this rich Chardonnay. Clean and focused layers of fruit are held in place by firm acids. The emphasis in this wine is its complex structure of tropical fruit blending smoothly with the cedar essences imparted by French oak barrels. This Chardonnay has enough body to stand up to and enhance flavorful foods.

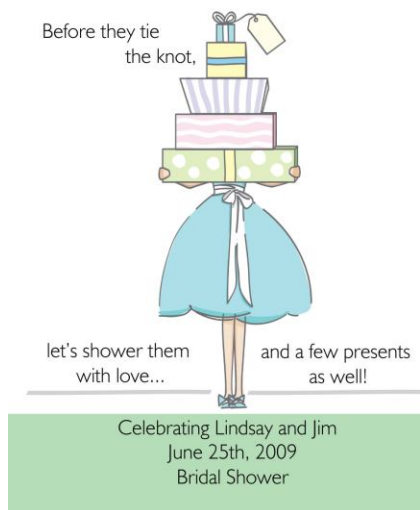

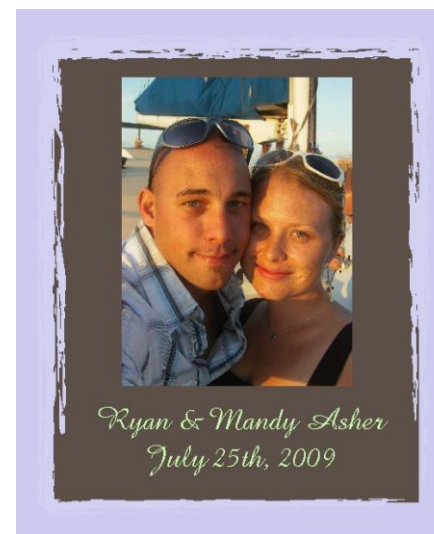

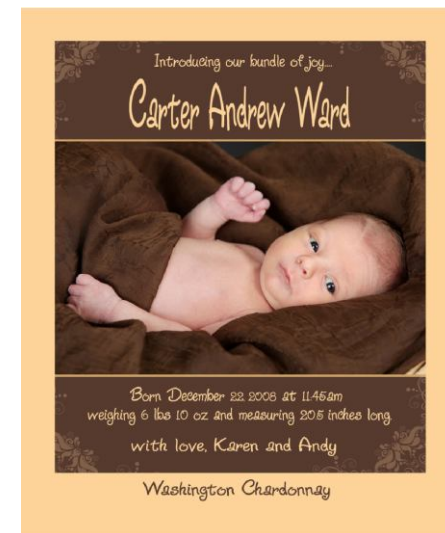

Sauvignon Blanc or White Wine (call for current vintage)

Our Sauvignon blanc is a brilliant gold color with mild flavors of apricots, citrus, bananas, grassiness, crisp peaches and melon on the after tone. Serves well with BBQ shrimp, chicken caesar salads, cold crab, Chinese and curry dishes.

Cabernet - Merlot or Red Wine (call for current vintage)

The blending of these Bordeaux classics, Cabernet Sauvignon and Merlot, has produced a wine with fresh and lively blackberry fruit aromas and red raspberry and cherry overtones. The ripe fruit flavors are supported by the subtle nuances of vanilla and cedar. Produced in a light refreshing style this is the perfect wine for casual entertaining and everyday enjoyment
